

To the extent this Interrogatory seeks information concerning the works-in-suit identified in Sony's amended Complaint (Docket No. 91), that is within Sony's possession, custody, or control, Sony provides the following information in Attachment A to these Responses and Objections:

- dates the sound recordings were infringed by Spinrilla;
- URLs at which infringing versions were available on Spinrilla; and
- dates on which fingerprints were delivered to Audible Magic.

INTERROGATORY NO. 23:

State each and every sound recording You claim has been infringed by either Defendant and, for each sound recording, state the artist's name, sound recording title, Registration Number (from the sound recording's Certificate of Registration from the United States Copyright Office), the URL at which the allegedly infringing version was available on Spinrilla and the date fingerprints for each sound recording was first delivered to Audible Magic.

RESPONSE TO INTERROGATORY NO. 23:

To the extent this Interrogatory seeks information that is within Sony's possession, custody, or control concerning Sony's works-in-suit identified in Plaintiffs' amended Complaint (Docket No. 91), Sony provides the following information in Attachment A to these Responses and Objections:

- the artist's name;
- the sound recording title;
- the recording's registration number;
- the URLs at which infringing versions were available on Spinrilla; and
- dates on which fingerprints were delivered to Audible Magic.
